

RAY OF SUNSHINE CAMPAIGN

Calderdale and
Huddersfield
NHS Charity

Aims to brighten the care and experience of babies, children, young people and their families. Whether in hospital or in the community, their individual needs will be met, reducing avoidable distress and trauma.

HELLO, I'M JUDE.

In November 2023, I was diagnosed with Type 1 Diabetes, this was a really tough time for me, but helped massively by projects, funded through CHFT Charity such as the bravery awards and social events.

Every year CHFT Charity funding makes a huge difference, and helps 1,000's of children just like me.

Here are some of the projects that your donation, no matter how big or small, will help:

£2,500 - **Bravery Awards** - so that children and young people can access resources for being brave during a procedure.

£3,000 - **Peer to peer social events** - so that children and young people can attend educational sessions and fun activity away days.

£5,000 - **Play and distraction resources** - so that children and young people are entertained and distracted on the ward or in department.

£10,000 - **Bereavement Resources** - so the individual needs of children and young people are met during the most traumatic of times.

£20,000 - **Sophie's Legacy** - so that parents and carers are fed when staying with their child.

Each year CHFT Charity Fund the above projects aswell as specific projects to support the care and experience of children and young people.
